HOW DOES CLEARVIEW CONNECTS™ WORK?

There are several ways that you can submit a report – choose the one that's most comfortable for you: use ClearView's online system, speak with a ClearView agent, leave a voicemail report or mail a hard copy report. You decide whether to provide your name and contact information in your report, and if you don't, ClearView will protect your anonymity. Once you submit a report, the data is stored on ClearView's highly secure servers in Canada. ClearView is committed to the highest standards of data security and privacy protection.

The ClearView system will immediately notify TCHC's Reviewers that a report has been submitted. Reviewers, who are employees that work at TCHC are chosen because they are best qualified to investigate and resolve reports.

ClearView Connects™ makes it possible for you to communicate with TCHC's Reviewers while remaining anonymous. If you submit your report through the ClearView web-based system or by speaking to a ClearView agent, you will receive a system-generated Report ID and password. This will allow you to access the report you submitted to review the status of your report, add comments, ask your Reviewer questions or even attach documents. It is important to check the status of your report regularly, because your Reviewer may ask you follow-up questions and will inform you about how the report is being addressed.
