Item 8F

June 28, 2022

Board of Directors

Report: TCHC:2022-43

To: Board of Directors (the “Board”)

From: Building Investment, Finance and Audit Committee (“BIFAC”)

Date: June 17, 2022

PURPOSE:

The purpose of the report is to seek the Board’s approval to implement recommendation 6 in PH28.2 to transfer, at nominal cost, a portion of Toronto Community Housing Corporation (“TCHC”) owned property at 1080 Eastern Ave to the City of Toronto (“the City”).

RECOMMENDATIONS:

It is recommended that the Board approve the transfer of a portion of lands located at 1080 Eastern Avenue and currently owned by Toronto Community Housing Corporation, to the City of Toronto at nominal cost to be included as part of the Housing Now site at 1631 Queen Street East, which it will thereafter form part of.

BIFAC:

This report was approved by the BIFAC on June 17, 2022.

REASONS FOR RECOMMENDATIONS:

City Council has directed the Board of Directors of Toronto Community Housing Corporation, when requested by the Deputy City Manager, Corporate Services and the Executive Director, Corporate Real Estate Management, to transfer a portion of lands located at 1080 Eastern Avenue and currently owned by Toronto Community Housing Corporation, to the City of Toronto at nominal cost to be included as part of the Housing Now site at 1631 Queen Street East, which it will thereafter form part of (recommendation 6 in PHC Report PH28.2, adopted by City Council on November 9, 2021.

On May 24, 2022 Deputy City Manager, Corporate Services, has requested that TCHC initiates the transfer of the title of the portion of the TCHC property at 1080 Eastern Ave, to the City.

The preference of the City is to complete the transfer of the property, shown as Parts 2, 3, and 4, in the Attachment A, before the property is rezoned, in order to minimize land transfer tax (LTT) paid by the City. The LTT is currently estimated at approximately \$56,000. The rezoning application has been submitted by City of Toronto on April 7, 2021, and is currently under review by City Planning.

IMPLICATIONS AND RISKS:

TCHC held two tenant outreach meetings, on December 8, 2020 and on June 23, 2021. After the second meeting, information sheets with the description of the proposed design of the community garden and a survey form were distributed to every unit of the building. Feedback has been collected by a third party consultant.

The feedback from the tenants indicated that the existing open space on the eastern side of 1080 Eastern Avenue includes important outdoor space that residents use for gardening, BBQ and other outdoor activities. This outdoor space, including the trees, the community garden, and seating areas, will be replaced on the 1080 Eastern Avenue property at no cost to TCHC, according to the terms of the transfer.

The City is to cover all costs associated with the transfer.

The full list of terms is in the Attachment 2.
